

Press Release

After the 12 Local Councils for Adapting to Climate Change in West Municipalities, on the 5th of December, at 2:25 pm, Webinar #6 Mainstreaming and integration will be held, through the ZOOM online platform.

Scheduled for in the last Phase of the Project, Webinar#6 will begin with a balance of work and the current situation, followed by parallel sessions with the Municipalities. In these parallel sessions, the Municipal Technicians will be divided into groups in order to take stock of the status of the Municipal Adaptation Plans and Adaptation Actions.

Pedro Henriques and Gonalo Caetano, from the CEDRU team (Project Partner), will present the Climate Adaptation Mainstreaming Methodology and the Adaptation Integration Methodology in Territorial Management Instruments, respectively.

At the end of the webinar, Heitor Gomes will talk about the next steps, closing the session.

The graphic features a background of overlapping colorful circles in shades of green, yellow, blue, and orange. On the left, it repeats the 'Iceland Liechtenstein Norway grants' logo. The main title 'OESTE ADAPTA' is in large teal letters, with the subtitle 'Municipal Climate Adaptation Planning in the West Region' below it. A central icon of a presentation screen is next to the text 'WEBINAR #6'. Below this, a teal bar contains the date and time: '05TH DECEMBER 02:25 PM (PORTUGAL)'. At the bottom, logos for the Programme Operator (República Portuguesa), Promoter (Oeste), and Partners (CEDRU and Vestlandsforskning) are displayed.
